

Hermetier Room

The Hermetier Room is a custom-built conference room that has been decorated and furnished to a high standard. With a seating capacity for up to 12 delegates, this room is ideal for small business conferences or company board meetings. Combining modern facilities with The White House Hotel's unique location and renowned hospitality, organisers and delegates are guaranteed a successful meeting.

The Hermetier Room is competitively priced and includes the following facilities:

- Overhead projector and screen
- Colour television and video
- Telephone with independent modem point
- Flip charts, pens and stationary
- Tea, coffee and refreshments

Why not combine business with pleasure and include an overnight stay at the hotel or lunch in our Conservatory Restaurant? The hotel's award-winning restaurant offers fine dining and an extensive wine list for even the most discerning connoisseur, and can be easily arranged.

The White House Hotel's reception staff are happy to help in the organising and administration of your meeting and are always at hand to assist the organiser throughout the day.

Larger rooms are also available for meetings elsewhere on the island. Please ask our staff for details.
