

Mid-Evening Return

There will be mid-evening returns from Herm on the following days during July and August:

Wednesdays:	9.00pm
Thursdays:	7.30pm
Fridays:	7.30pm

The aim is to give people the opportunity to travel to Herm on an earlier boat during the day and then return to Guernsey on a mid evening sailing. It is hoped this sailing will be popular with families, groups, clubs and individuals who wish to return to Guernsey earlier than our normal timetable would allow. This boat will not be used for 'rowdy groups' which will continue to use the late evening boat.

Subject to numbers we would be happy to run this sailing on any other evening if a group wanted to organise a specific event on Herm Island. Please contact the Trident Kiosk for further information on (01481) 721379.

Have a walk, swim, picnic, treasure hunt, eat at The Mermaid Tavern or White House Hotel or just simply watch the sun go down, the choices are endless.

The Mermaid Tavern

The Mermaid Tavern will take evening bookings for its 'Top-Deck' barbecue and its Restaurant for visitors who wish to travel across on the 19:00 Trident sailing and return to Guernsey at 22:45.

The 'Top-Deck':

Is an outdoor covered dining area where guests can enjoy a freshly cooked barbecue. Guests choose between various set menus that have to be ordered in advance of the night. This option is only available to pre-booked groups and not 'chance' diners. For further information please contact The Mermaid Tavern direct on (01481) 710170 for details of menu choices, booking availability and group sizes.

The Mermaid

Guests can come across to Herm on a daytime boat, have dinner at The Mermaid restaurant or eat at the Courtyard Barbecue and return to Guernsey at 21:00 to avoid the crowds.

White House Hotel

The White House Hotel takes evening bookings for its AA Rosette 'Table d'Hote' restaurant and at its 'Captains Table' carvery restaurant.

Table d'Hote Restaurant

This AA Rosette restaurant offers first class dining with the freshest fish and shellfish. Local produce is used wherever possible. The hotel has one of the most extensive wine lists in the Channel Islands; wines and many other Grand Crus being bought directly from Bordeaux and Loire Chateaux. Our restaurant boasts uninterrupted views across to Guernsey and glorious sunsets.

Please contact the hotel reception to make a booking for the restaurant and the

evening boat. Please note the boat does not run every evening, particularly in low season, and is subject to passenger numbers and weather.

'Captains Table' carvery

It is a carvery restaurant also serving daily specials and offers a 3 course meal and coffee.

Please note the boat does not run every evening, particularly in low season, and is subject to passenger numbers and weather.
