

The White House Hotel

'Captains Table' carvery

This restaurant is very popular with visitors and locals alike so booking in advance is advised. This is a carvery restaurant also serving daily specials to your table and offers a three course meal plus coffee.

The restaurant caters for group sizes up to a maximum of about 75. There is no formal dress code for the 'Captains Table', it is very much a 'casual' restaurant. A single group can, if it has sufficient numbers, be allocated sole use of the Captains Table restaurant for a particular night. Please speak to one of our team to discuss whether this would be possible for your group.

Please note the boat does not run every evening, particularly in low season, and is subject to passenger numbers and weather.

For further information or to make a reservation please contact the Hotel reception on (01481) 722159.
