Starboard settlement, the Islands leaseholder is committed to ensuring the natural beauty, attractions and peacefulness of the Island are preserved and made available to all who visit.

Just 20 minutes away from bustling St Peter Port. The island is easy to get to by low-cost, comfortable Trident catamaran ferries. Sailing throughout the day, including a popular dinner sailing on most summer evenings.

Herm is a paradise of dramatic cliffs, wild flowers, hills, valleys and golden beaches, lapped by crystal clear waters and it is yours to enjoy. There are no cars, no hurries and no pressure to do anything but delight in Herm's natural splendour.

With a huge variety of walks, from an easy stroll to Shell Beach to a 2-hour walk around the island, it is constantly captivating. Walk along flower fringed paths and gardens with exotic plants, past the Manor and ancient Keep in the heart of the island, where you'll find Herm's tiny school and 10th Century church, along cliffs and seemingly endless white beaches.

The Island's pristine environment, farmland and tree planting programme encourages a profusion of wild flowers and provides a haven for wildlife. Herm's gardeners maintain fabulous gardens, with meticulous attention to a wide range of species drawn from around the world.

This is the seaside of childhood memories. Clean, safe and a source of endless fun, building sandcastles and paddling in the sea. The falling tide exposes rock pools and endless beach combing.

Shopping is fun! Our gift shops offer a wide range of merchandise suitable for all occasions. Beach goods, toys, souvenirs, gifts, casual clothing, swimwear and Guernseys, the choice is breath taking and the prices are so reasonable that you cannot fail to enjoy the Herm Shopping experience!

NOVEMBER DECEMBER & MARCH
During November, December and March the timetable varies considerably. We operate a daily service which increases during winter promotions and throughout the Christmas and New Year period. Please check in advance, if you wish to visit at this time, as the Island "opens up" to welcome visitors on certain days.

JANUARY & FEBRUARY
During January and February we offer a limited daily service, (except on a Sunday in January) departing early morning and returning late afternoon, in addition an extra sailing is offered at midday on a Wednesday.
Winter can be a beautiful time to visit Herm, however The White House Hotel is closed for annual maintenance and the Mermaid Tavern (closed in January) is only open on certain days (normally Wednesday and Saturday). If you decide to visit in January be prepared for the weather as there is little shelter on the island and be sure to take food and drink with you.
